Group Projects**

**We pride ourselves on having cool projects that the children have fully participated in with very little adult direction or attachment. As in our everyday work with the children, these projects evolve and change with the children's interests and involvement. We honor all of their wishes and encourage them to be a part of the process in whatever way they desire.**

## **TAX DISCLOSURE**

- Contributions to this event are tax-deductible to the extent allowed by law.
- In general, amounts paid for auction items purchased are deductible only to the extent that purchase price exceeds the fair market value of the good purchased. For example, if an item is listed with a value of \$200.00 and you pay \$250.00, \$50.00 is tax deductible.
- In situations where the fair market value of the goods purchased cannot be easily determined, such as items marked "priceless," the minimum or starting bid amount as shown in the catalog or bid sheet may be used as a guide to the fair market value.
- Play Mountain Place and IHEP have attempted to obtain accurate valuations of all auction items. The valuations contained herein are estimates only and cannot be warranted for tax purposes.
- One-of-a-kind items may be difficult or impossible to value. In the absence of any reliable fair market value, the IRS is likely to take the position that the fair market value of the item is equal to the purchase price. In this situation, no portion of the purchase price would be considered a deductible charitable contribution.
- The information given here is not meant to be conclusive with respect to your personal tax situation; we suggest you consult your personal tax representative or accountant for more specific information.

Of course, all the money you spend at the Play Mountain Place Silent Auction goes directly to supporting the programs of Play Mountain Place.

## **EXPRESS CHECK OUT**

When you arrive at this swanky party, you will be asked if you are interested in Express Check Out. Here's what that means: You leave an impression of your credit card or a blank check with the people at the entrance table. You spend the evening having a great time, visiting and bidding on all the cool stuff. When the auction closes, you have the option of staying and waiting to pick up your items (which will go more quickly because you have already paid), OR, you can leave the party and pick up your items on the Monday or Tuesday after the party at Play Mountain Place. We will fill in your credit slip or check and your items will be ready for you to pick up. If you do not end up with any items, your credit slip or check will be torn and returned to you in a sealed envelope. This way, if you decide to leave early, your items will be paid for and saved for you, It's easy and safe! If you elect to participate in Express Check out, please do not wait until the end of the party to do so. Thank you.

## **PROCEDURES**

- Each Silent Auction item will have a bid sheet. The item number in this catalog (or addendum) will correspond to the item number on the bid sheet.
- Each bid sheet will show an opening bid and a minimum raise. Each successive bid must equal or exceed the minimum increase figure stated on the bid sheet in order to constitute a valid bid.
- To place a bid, write your FULL name (legibly) and phone number and the bid amount on the bid sheet, on each line provided.
- If you are bidding more than once on the same item, you must print your full name and phone number on each line where you make a bid. Arrows and notations will be disregarded.
- Please do not place a bid unless you intend on honoring that bid. Consider your bids carefully, please do not write your name on an item and then cross it off at the last minute. This gets very confusing and awkward for everyone.
- The highest bid entered on a bid sheet constitutes the winning bid.
- Thank you and have a great time!
